

A black and white photograph of a group of Marines running in formation on a dirt path. They are wearing dark t-shirts and shorts, with some carrying gear. The background shows a rugged, outdoor environment with hills and a fence.

HAIRCUTS

for Marines are an integral part of the Corps. We understand the importance of being inspection ready -- ALL the time.

In order to continue to provide this service, we need to periodically adjust prices to accommodate cost of living increases affecting products and wages. The last price increase was in 2014. Haircut prices will increase effective March 1, 2018 by \$1.

New Prices:

Regulation \$10

Flat Top \$11

We value your business and patronage. Sales generated by on-base businesses provide dividends to support Marines and Families through unit funds, fitness equipment, the Single Marine Program and much more. Thank you for spending your money where it will serve you and your fellow Marines the most.
