

IMPORTANT EXCEPTIONAL FAMILY MEMBER PROGRAM INFORMATION ON INITIAL ENROLLMENT, RE-ENROLLMENT, AND DISENROLLMENT

Purpose. Per Marine Corps Order 1754.4B, the primary purpose of the Marine Corps Exceptional Family Member Program (EFMP) is to ensure continuum of care for eligible Marine Corps family members by identifying families with special needs, and maximizing confidentiality and the provision of services to enhance the quality of life provided to the Marine Corps family in order to meet the mission of the Marine Corps.

NOTE: When checking in or out of Henderson Hall, **ALL MARINES** are required to be briefed by EFMP Staff.

MANDATORY ENROLLMENT

Sponsors are required to identify and enroll all family members who have a medical (physical, mental, and emotional) or educational condition at the time of identification or diagnosis of the condition by a qualified medical provider or educational authority. Commandant of the Marine Corps (CMC), Manpower and Reserve Affairs, will make final determination concerning EFMP enrollment of Marine Corps sponsors (MCO 1754.4B, Chapter 2, 4.). The DD Form 2792, AUG 2014 and/or DD Form 2792-1 (if applicable) must be completed and submitted to the Installation EFMP office **no more than 90 days** after the qualified medical provider and/or school official signs the forms. NOTE: EFMP enrollment does not affect career progression.

Additionally, the DD Form 2792-1, AUG 2014 must be submitted for:

- All infants and toddlers (birth to age 3) receiving Early Intervention Services via an Individualized Family Service Plan (IFSP) under the Individuals with Disabilities Education Act (IDEA).
- All school-age children (ages 3 through 21 inclusive) who are receiving special education services via an Individualized Education Program (IEP) under IDEA.

Per reference (e) of the MCO 1754.4B, a Marine who fails or refuses to provide the required information, or who knowingly provides false information, may be subject to disciplinary action. Charges for offenses may fall under Article 92 (failure to obey a lawful order or regulation or dereliction of duty) or Article 107 Military Justice (UCMJ). In addition to UCMJ disciplinary action, the Marine may also be subject to administrative sanctions including denial of command sponsorship.

MARINE'S RESPONSIBILITIES

- Ensure that the application for enrollment in EFMP is complete, correct, and current and is submitted to the local EFMP installation office.
- Retain a copy of the EFMP package for personal records and update enrollment through the installation EFMP office at least every 3 years, or when the conditions of special need change. Changes, which may affect enrollment, include a change in marital status, dependency, or medical status of the Exceptional Family Member.
- Communicate directly with Manpower Management Division at Headquarters, Marine Corps when in receipt or in anticipation of orders.

- Submit updated application requesting disenrollment from EFMP when a family member no longer requires the special medical and/or special educational services. Changes which may affect enrollment include a change in marital status or dependency.
- Check in/out with the local EFMP Coordinator during PCS moves to ensure the EFMP case file is maintained by the appropriate EFMP Coordinator.

RESPITE CARE

If the Sponsor's EFMP enrollment is not current, the Sponsor is ineligible to receive respite care reimbursement. When there are multiple EFMs, all EFMs must be current with their enrollment for the Sponsor to be eligible to participate in the respite reimbursement program.

ORDERS

If orders are anticipated within the next 9 months, it is critical for the Sponsor to ensure accurate and current information has been submitted. Outdated paperwork slows down the orders process, and in some cases, may impact the Sponsor's choice of assignments.

AS SPONSORS APPROACH THEIR EFMP ENROLLMENT EXPIRATION DATE

Ninety (90) days prior to expiration of enrollment, the Family Case Worker (FCW) is required to notify the Sponsor by email to request that he or she complete and submit the DD Form 2792 and DD Form 2792-1 (if applicable). Additionally, the FCW will send the email as "High Importance" with "Read Receipt" and attach the DD Form 2792 and DD Form 2792-1 (if applicable), as well as Enrollment Instructions. The FCW will document all communication with the family in the Case Management System (CMS) database and post the applicable dates on the enrollment update tracking tool.

Sixty (60) days prior to expiration of enrollment, the Family Case Worker (FCW) will notify the Sponsor by telephone requesting that he or she complete and submit the required forms and this contact will be documented in the CMS and on the tracking tool, along with the response from the Sponsor. If there is no positive response from the Sponsor, the FCW will notate in the CMS that the request to update has been elevated to the EFMP Program Manager (PM).

NOTE: If Family Case Workers are unable to contact a Sponsor due to incorrect or outdated phone numbers, they are to follow the guidance provided in "ASSISTANCE FROM HQMC EFMP."

Thirty (30) days prior to expiration of enrollment, the EFMP Program Manager will notify the Sponsor by telephone to offer assistance or clarification if needed, and request that he or she comply with the MCO 1754.4B. The PM will send the Sponsor a follow-up email as well. If there is no resolution by the sponsor the PM will then elevate the request for an update to the Family Care & Readiness Branch Head. These telephone calls and follow-up emails will be documented in the CMS as well as the FCW's tracking tool. If no update is received from the Sponsor, the EFMP Program Manager will contact the Commander of the Sponsor to ask for assistance regarding the newly expired EFMP enrollment within his or her unit. The FCW will continue to contact the Sponsor at least quarterly to request compliance with the MCO until the update is received.

ACCOUNTABILITY

The Marine Corps Order allows the EFMP Program Manager to provide each unit commander with an EFMP Commander's Report which lists the Marines under their command who are

enrolled in EFMP and the status of their enrollment. This list only includes the Sponsor's name and EFMP enrollment expiration date. Adhering to privacy and confidentiality, EFMP personnel will not provide any additional details or information to the Commander. The primary purpose of this report is to ensure timely update by the Sponsor prior to the expiration date. The EFMP Commander's Report is color coded as follows:

RED indicates that the Marine's enrollment has expired.

YELLOW indicates that the Marine is within 90 days of his/her expiration date.

GREEN indicates that the Marine's completed paperwork is in process at HQMC EFMP.

Per Henderson Hall EFMP Standard Operating Procedure (SOP), an EFMP Commander's Report is provided to each unit commander monthly. If a Marine remains noncompliant with MCO 1754.4B, Henderson Hall EFMP will elevate the name of the Marine to HQMC for resolution.

NOTE: The EFMP Marine Corps Order 1754.4B, DD Form 2792, DD Form 2792-1, and **SAMPLE INSTRUCTIONS** can be found at: <http://www.mccshh.com/efmpenrollment.html>.
