# The Waiting Game 2019

For **4 weeks in September**, every beautiful piece in the WLXT Waiting Game case will drop an additional **10% each week**. BUT there's a catch! **There is only ONE of each available.**

The longer you wait, the better the deal...  
**but timing is everything!** Can you risk the wait?  
Will the piece you love still be there? *Tick tock...tick tock...*
