MCCS Henderson Hall presents a sponsorship opportunity for businesses targeting golfers in the National Capital Region. Henderson Hall's Semper Fit goes golfing once a month April through September, taking around 50 golfers a month to courses in Northern Virginia. The "Golf With Us" program provides an all-inclusive round of golf, green fees, and cart, plus lunch at the course. It's a great way to build camaraderie and mentor young service members by networking and introducing the game at our partner locations.

As a sponsor, you will access the military and civilian Department of Defense market — a stable and 100% employed workforce — while showing your support to the Marines, sailors, and family members who directly benefit from our programs.

We support the Headquarters & Service Battalion, Headquarters Marine Corps, Henderson Hall at Joint Base Myer-Henderson Hall in Arlington, Virginia, and over 30,000 Marines and their family members throughout the National Capital Region through outreach.

Your sponsorship will help offset the cost to junior service members. Those new to the game can borrow golf clubs from the on-base Outdoor Recreation gear issue center, which makes it more affordable. Help us introduce the game to them by sponsoring and promoting your brand.

Benefits are valued at over \$657 per tournament, and we are offering sponsorship for \$400. Sponsor the entire six-month series of tournaments, valued at \$2,843 for only \$1,800 — continuous impressions over a six-month period April through September.
